Wakefield Marks Dad's Day Today

Today is "Mom's and Dad's Day" at Wakefield High School.

At the Wakefield-Falls Church game today the parents are being feted with free admission and a special section of the bleachers are reserved for the players mothers and fathers.

The Wakefield Junior High cheerleaders are escorting the parents to the reserved section where the pappas are decorated with red tags and the mammas with blue cards.

"We feel that this is the least we can do to show our appreciation for the things the parents do for us during the season, such as late dinners and rearranged home schedules," commented Athletic Director Milor Sonen yesterday.

Wakefield Tops Falls Church

Wakefield High School ran its unbeaten string to five games yesterday by scoring all its points in the middle quarters and holding off Falls Church for a 20-13 victory on Mom and Dad's Day at Wakefield.

The Warriors broke a 6-6 tie just before halftime when Tom Perkins concluded a 62-yard drive with a 5-yard burst. Whitie Edwards scored what proved to be the winning touchdown by running 9 yards through center late in the third quarter.

Wakefield opened the scoring in the second quarter when Bob Webster scooped up Jim McIntire's blocked punt by Bill Gordon and raced 25 yards across the goal. A 20-yard punt return by Falls Church's Aaron Fisher and a 32-yard drive tied the score in the same quarter, McIntire running the last seven yards up the middle.

The visitors' most impressive penetration totaled 60 yards in the last quarter. Don Foster bucked over for a touchdown from the 1, but it was too late to avert the Jaguars' second defeat in five games.

Halfback Don Gardiner and Quarterback Nolan Hill sparked the Wakefield running attack, gaining 106 and 64 yards, respectively.
